

Athletics Clear Bag Frequently Asked Questions

- **What happens if I show up at the athletic facility entrances with a bag that is not permitted?**
Prohibited bags will be turned away from the facility before they reach the entrance. There is no bag check so bags will need to be returned to your vehicle.
- **Can I place my non-clear bag inside of a clear bag?**
No. If a non-clear bag is placed inside of a clear bag, it will not be allowed in the venue. Small, pocket-sized wallets are allowable.
- **Is a tinted, but “see through” bag allowed, if it meets the size restriction?**
No. Color tinted bags do not comply with the Clear Bag Policy.
- **Can patrons carry cameras, smart phones, or other approved items separately from what they put in a clear bag?**
Yes. Phones and cameras can be carried into the facility as long as it is not in its own bag.
- **Are diaper bags permitted?**
Diapers and wipes can be carried in approved clear bags; however, non-clear diaper bags are not permitted. Persons with infants and toddlers may utilize a clear book bag as a diaper bag.
- **If I have certain items that I need to bring into the athletic facility for medical reasons and they won’t fit in the clear bag, what do I do?**
Medical bags do not have to be clear. Patrons with medical bags that do not comply with the athletics bag policy will be allowed to enter the athletic facility once the medical bag is searched.

Additional questions should be directed to the RCPS Director of Athletics or your school Athletic Director.
