

ATHLETE COMMITMENT CONTRACT

Team _____

As an athlete of Memorial Middle School, I, _____, will try my best to:
(Players Name)

1. Always play in practices and games with good sportsmanship and respect for all players, coaches, parents, and umpires. I fully understand that all tournament travel team players must obey the "Code of Ethics" on and off the field/court that all of the Seminoles players, parents and coaches commit to.
2. Listen to the coaches, who are trying to improve my skills.
3. Try my hardest in all practices and games. I'll have patience with myself, keep a sense of humor even when the going gets tough. I realize that any sport is still a game that at I can enjoy, even at the school level.
4. Attend all practices, games and tournaments as I can, as my team depends on me being there for them. I commit to attend all practices and games or else I may be asked to leave the team. This is at the coaches' reasonable discretion. Scheduling appointments/vacations outside of the season is in the best interest of my team. Communication with my coach in regards to my absence beforehand is key. If a lengthy illness or injury of any kind becomes factor, the Head Coach must be notified promptly.
5. Understand that the coaches are the ones who make the decisions in regards to line-ups, about who plays, and how much play time is given. Since this is a school team, I also realize that all players won't play the same number of innings, quarters or games.
6. Realize that this is a team game, and I will try my best to hustle and do whatever can I to help them. Any personal goals I have are secondary to learn goals.

As Seminole parents, we fully understand and have discussed with our daughter/son the commitments described above. We also realize that we need to be positive and supportive of the team, coaches and all players and must behave accordingly at games and all Seminole functions.
